September 16th, 2016

Residents of Flagler County-

On September 14th, 2016, the Flagler County chapters of the Coastal Florida Police Benevolent Association voted on who our association should endorse for Flagler County Sheriff. Decisively, our members voted to endorse Rick Staly for Flagler County Sheriff.

Our members are confident in Mr. Staly's ability to lead this agency into the future and address our needs head on to ensure that the best possible law enforcement services are being provided to the citizens of Flagler County. With proven experience in both law enforcement and business, we feel that Mr. Staly is the best candidate for this position.

We would ask our family, friends and supporters of local law enforcement to please vote for Rick Staly for Flagler County Sheriff on November 8th. We are confident that, under the leadership of Rick Staly, the Flagler County Sheriff's Office will continue to serve the citizens of Flagler County in a professional and efficient manner.

Respectfully,

Kimberly Kilpatrick
President

Coastal Florida Police Benevolent Association
Coastal Florida Public Employee's Association
