Rick's Plan

REDUCE CRIME

Rick will crack down on repeat offenders, fugitives from justice, street gang members and those selling drugs by implementing Problem Oriented Policing and focusing on quality of life issues in our neighborhoods like traffic and domestic violence.

RESTORE INTEGRITY AND PRIDE

Rick will implement a tough new ethics policy and create a positive work environment with fair compensation to retain our experienced employees and deploy more deputies throughout the county to ensure the safety and security of our community.

RAPID EMERGENCY RESPONSE

Rick is the only candidate certified in Homeland Security. Whether facing a terrorist attack, active shooter or natural disaster, Rick will equip, prepare and train our deputies and support staff for emergency response to all types of emergencies.

PROTECT OUR TAX DOLLARS

Rick will use his successful business experience and experience managing \$120m dollar government budgets to operate the Sheriff's Office on a fiscally conservative manner. Rick will be ethical, efficient and responsible with taxpayers' money and ensure our money is only spent on fighting crime.
